

## NFSH – The Healing Trust – Opportunities in the USA

**The Healing Trust Training in the USA has various opportunity paths that fit your individual needs and provide you with a path to continue to grow and advance within NFSH-The Healing Trust. Our opportunity paths are described below with the minimum requirements for each.**

---

### ***Student Member***

You have a desire to explore Spiritual Energy Healing for yourself or to practice Spiritual Energy Healing on family or friends.

- Become a Student Member of NFSH-The Healing Trust
  - Attend Healer Development Training Parts 1& 2, 3 and 4
  - Attend and receive Healing at Community Healing Sessions
  - Come to Practice Sessions offered by your Tutors in the USA
- 

### ***Healer Member***

You are called to Volunteer as a Healer, or to add Energy Healing to your current work or you desire to become a practicing Energy Healer with the support of NFSH-The Healing Trust.

- Become a Student Member of NFSH-The Healing Trust
  - Attend Healer Development Training Parts 1& 2, 3 and 4
  - Maintain Student Member Log Book recording experience practicing Contact Healing
  - Familiarize yourself with The Healing Trust Code of Conduct
  - Attend Energy Healing Practice Sessions & Community Healing Sessions
  - Practice Contact Healing and Distant Healing – 40 hours logged.
  - Work on clients, and provide 4 references to the Member Panel
  - Apply for Healer Member and pass Healer Member Panel on Code of Ethics and demonstration of the Chair Method of Contact Healing (in person or via Skype)
  - Purchase liability insurance
  - Provide appropriate State licensure to perform Energy Healing
- 

### ***Tutor***

You are a Healer Member with NFSH-The Healing Trust with proven teaching skills and wish to develop as Tutor or to assist NFSH-The Healing Trust Tutors.

- Repeat Healer Training Parts 1 & 2, 3 and 4 over a 2 year period
  - Develop with your Tutor Mentors, Market and Conduct “Intro Sessions” to our Healer Training
  - Apprentice and share cost with other Tutors, developing and presenting class sessions at Healer Training. Tutor feedback and progress reports will be provided
  - Organize and conduct Healing Circles in the Community
-
