

of Naples. This is a peaceful, open-minded church and spiritual meeting place, set in lush tropical gardens.

We generally have from 24 to 36 guests. An opening meditation

intended to clear, cleanse and release the chakras is delivered by David or myself, the events' hosts. I always enjoy this time, when it's possible to sense a whole room of people all relaxing, opening, and balancing. It feels as though the words continue to heal and benefit long after the meeting has ended:

'From within your heart send blessings, gratefulness, thanks, love, peace, forgiveness, requests to be forgiven to all Beings above you, to all Beings below you, to all Beings in front of you, to all Beings behind you, to all Beings to the right of you, to all Beings to the left of you, and now, to your Being send unconditional LOVE, because you

are amazing just the way you are.'

Each attendee then has a couch/table healing, followed by a chair healing session. We also invite our guests to bring their loved ones into our healing circle through distance healing. Orbs of different sizes and colors are often caught on camera during the Community Healing Sessions, and we are most grateful to those in spirit supporting our work!

Finally, a closing meditation takes place to bring the chakras into balance and harmony for going out into our busy world.

Our Student Members are offered opportunities to develop their gifts

and skills through the Community Healing Session, Practice Sessions, volunteer work in the community, and time with their Tutor mentors.

If you are visiting Florida please let us know. We would love for you to experience our Community Healing Sessions and meet fellow members.
