

NFSH – The Healing Trust - Opportunities in the USA

The Healing Trust Training in the USA has various opportunity paths that fit your individual needs and provide you with a path to continue to grow and advance within NFSH-The Healing Trust. Our opportunity paths are summarized below with the minimum requirements for each.

Student Member

You have a desire to explore Spiritual Energy Healing for yourself or to practice Spiritual Energy Healing on family or friends.

- Become a Student Member of NFSH-The Healing Trust - Receive Student Kit, Log Book, Code of Conduct prior to beginning classes.
- Attend Healer Development Training Parts 1 & 2, 3 and 4.
- Attend and receive Healing at Community Healing Sessions.
- Completion of Part 3 and 2 Practice Sessions later, if qualified you can begin Table Healings at the CHS.

Come to Practice Sessions offered by your Tutors in the USA.

Healer Member

You are called to Volunteer as a Healer, or to add Energy Healing to your current work, or you desire to become a practicing Energy Healer with the support of NFSH-The Healing Trust.

- Become a Student Member of NFSH-The Healing Trust.
- Attend Healer Development Training Parts 1 & 2, 3 and 4.
- Maintain Student Member Log Book recording experience practicing Contact Healing, etc.
- Familiarize yourself with The Healing Trust Code of Conduct.
- Attend Energy Healing Practice Sessions & Volunteer at Community Healing Sessions.
- Practice Contact Healing and Distant Healing – 40 hours of Contact Healing logged.
- Work on clients with Contact Healing and provide 4 references to the NFSH.
- Apply for Healer Member and pass Healer Member Panel on Code of Ethics and demonstrate the Chair Method of Contact Healing (in person or via Skype).
- Purchase appropriate liability insurance.
- Provide appropriate State licensure to perform Energy Healing and touch.

Tutor

You are a Healer Member with NFSH-The Healing Trust with proven teaching skills and wish to develop as Tutor or to assist NFSH-The Healing Trust Tutors.

- Repeat Healer Training Parts 1 & 2, 3 and 4 over a 2 year period, building class development materials.
- Develop, Market and Conduct with your Tutor Mentors “Intro Sessions” to our Healer Development Training attracting new students.
- Apprentice and share costs with other Tutors, developing and presenting class sessions at Healer Development Training. Tutor feedback and progress reports will be provided.
- Organize and conduct Healing Circles in the Community.
- Apply for Tutor Member and pass Tutor Member Panel – demonstrate ability to teach Healer Development Training classes.
